Subject: Briefing states on Draft Cadmium criteria on Jan. 20 ACWA call?

Hi Kathryn,

We think that states would benefit from a briefing on the draft Cadmium criteria during the comment period. We have an ACWA Monitoring, Standards and Assessment Committee Call scheduled for Jan. 20, 2:30 – 4 p.m. Would you be available during that time to join the call and brief states? Please respond whenever you have a chance to check your schedule.

Best,

Susan
